EDITORIAL

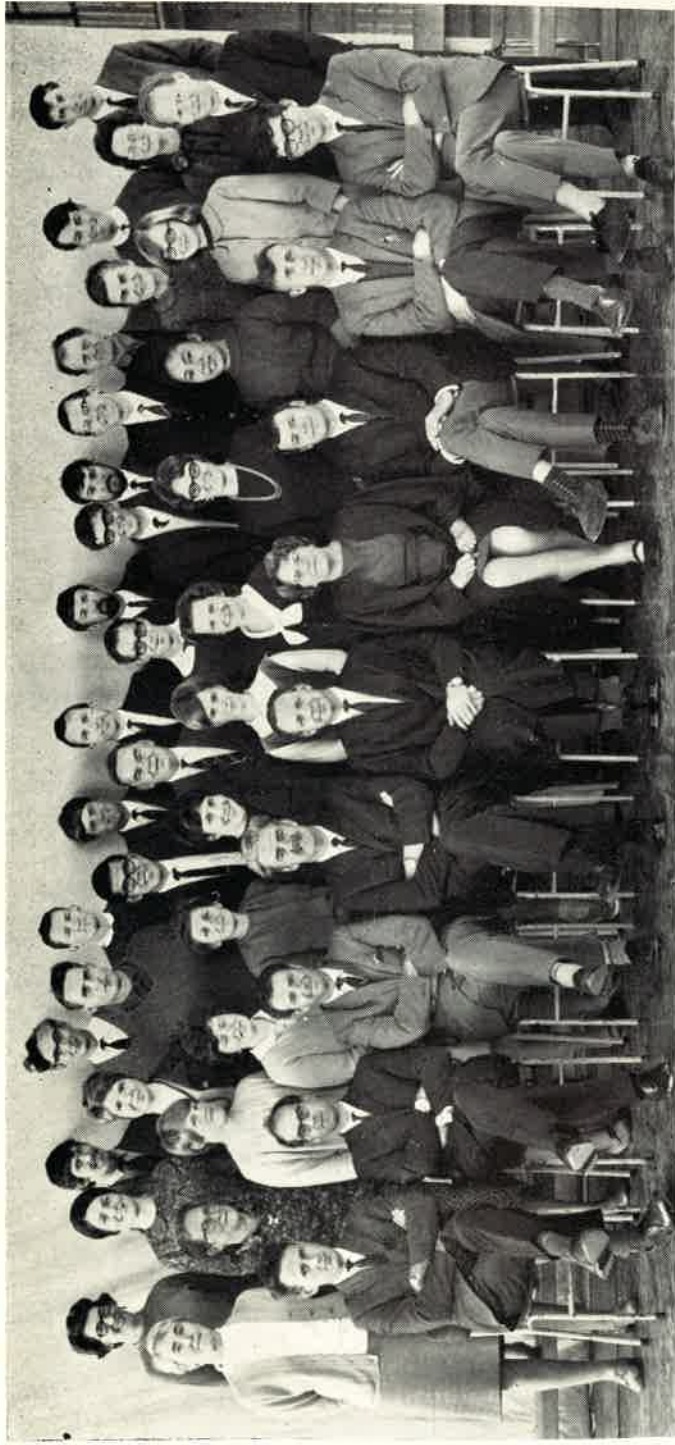

In considering a comment for this editorial I consulted Mr Ryan for an experienced view to offset the possible bias of my own youthful opinions. We talked about freedom, the greatest issue of the modern world, and naturally enough, we talked of freedom in terms of education and Tokoroa High. Young people today are being given more and more freedom. Some abuse this because they do not have the maturity and responsibility to cope with it. But in most cases young adults are accepting new freedoms and the responsibilities which must go with them.

Tokoroa High gives more freedom to its students than many other New Zealand schools and we are often criticised for this. In the light of the incidents of violence in and around Tokoroa, outsiders may see its young people as hooligans. However, this obviously is not a fair representation of the town's Youth.

We, the young people, are dealing with relatively new freedoms and the older folk are trying to point out the self discipline which is needed to make freedom work.

What is this "freedom" and "responsibility"? It is the freedom of doing what you wish, with the responsibility of giving due regard for the rights of other individuals. It is the freedom to guide your own morals with the responsibility of understanding the consequences and possible effects on the community. It is the freedom of expression with responsibility. It is the freedom to manage your own affairs with the responsibility of understanding your economy, health, and for that matter, your conscience. But perhaps the most important is the freedom to think as an individual without being bogged down by the trappings and taboos of our society.

In the light of what I have written, I can ask the older generation to understand that youth and education need freedom, and the young people to accept emancipation with commonsense and not abuse the privileges which come in increasing abundance in our changing society.

STAFF NOTES

We began the year fully staffed and welcomed 17 new members. The Staff position has been fairly stable with only three resignations accepted during the year.

Mr Boag, Head of Science came to us after teaching for five years in the islands, and Mr Scott also joined the Science Department transferring from Pakuranga. Mr Joy came from India also to teach science, but left at the end of the first term to see more of New Zealand.

The Art Department got away to a flying start with Miss Venturoni bringing her talents from Australia. However, as she wanted to have more time for her own art work — we believe an exhibition will be coming up shortly — she resigned at the end of the first term. Her place was taken by Mr Ward and under his guidance the Art Department is now a very vital part of our school.

The ranks of the Commercial Department were swelled by the arrival of Mr Scatchard, appointed H.O.D., and Miss Davies and Mrs Smith-Davies.

Two notable arrivals were Mr McLaughlin and his fiancée Miss Wright. We were delighted to congratulate them on their marriage at Easter. For the record we would mention that this is the first "staff to staff" marriage in the history of the school.

Mr Boyd and Mr Yule joined the Technical Department adding strength to that good team. Mr Yule's marriage to Miss Diana Masters, who came from England especially for the occasion, was celebrated in August and we wish them every happiness.

Mrs McKenzie from the U.S.A., who was fortunate in finding and marrying a New Zealander who was studying in America, left her native shores and luckily came to Tokoroa, eventually joining our English Department.

We were pleased when Miss Korcia decided to return to Tokoroa. She had been with us briefly the previous year as a student teacher.

Mrs Armstrong and Mrs Reay, both of whom will be leaving at the end of the year, also joined us at the beginning of the year. We have enjoyed having them and wish them well.

Mr Saunders, Music Department, has also been a very enthusiastic member of staff since the beginning of the year and his work with the brass band and other musical activities has added to and broadened the scope of school activities.

Miss Foresman, also an old pupil of the school, joined the staff as a replacement of Mrs Smith-Davies in the second term.

The beginning of the third term saw the arrival of Miss Perry from the U.S.A., Miss Alcock from England and Miss Morgan who has returned from England after a somewhat prolonged holiday. Miss Perry was married shortly after her arrival on the staff and we extend to her and her husband our congratulations.

We are pleased to record the arrival of yet another long-awaited heir. Our congratulations to the Cooper family. To Michael Boyd, Laraine Cornwall and Paula Scatchard, the other new arrivals in 1969 — welcome.

We would also like to record our thanks to the part-time staff who, although smaller in number this year than for many years, have given their valuable assistance.

In time to catch this publication — the latest addition to the John household — our congratulations.

VALEDICTORY

Mr C. Edmeades was appointed to the Staff in 1967 to teach Geography, English and Social Studies. He has always taken a keen interest in school activities, especially hockey. The Boys' 1st XI have gained a high reputation throughout the Waikato due to Mr Edmeades' untiring efforts in coaching the team.

He is highly respected by all students for his teaching ability, quiet efficiency, and modesty as a sportsman. The Staff will remember him for his outspokenness in all matters, especially those relating to the welfare of the senior students.

In 1970 he returns to the "Mainland" to his old school, Linwood, in Christchurch. We extend to him and his family our very best wishes for their future happiness and success.

Mrs Armstrong joined the Staff in February 1969 to teach English and Science, although she is a Homecraft graduate. Her pleasant personality has impressed all those students she has taught and the girls will miss her willingness to give advice where needed. As Mrs Armstrong leaves us we wish her and her husband the very best and may their expected heir be all they wish for.

Miss Davies was appointed to assist in the Commercial Department in February, 1969, but because of her ability Miss Davies has given valuable assistance to the English and Social Studies Departments through her wealth of overseas experience. This has reflected in her teaching here at Tokoroa and all the students with whom she has come in contact have now a wider appreciation of the countries beyond our shores. We wish her success in whatever she will undertake in the future.

PARENT-TEACHER ASSOCIATION

An association of parents and teachers has to play its part in a school such as ours, and, indeed, has done this with some notable success over the years.

The past year was no exception and has been a rewarding experience for all involved in the Association's activities.

Fathers and students pitched in to a rugged battle of filling and delivering many hundreds of bags during the coal-drive at the beginning of winter. The financial results were very good although the driving may have been a bit hard towards the end of the operation. All in all, a job well done — and a credit to the calibre of young people this school appears to produce.

A panel discussion under the chairmanship of popular Mr Dick Raynor, of IZO, was a success, although it did not take the form as originally intended. However, due to the competence of the chairman and panel-members, and the enthusiasm with which the audience of parents and teachers entered into the discussions, new viewpoints were exchanged and better understanding achieved.

The final meetings of the year were planned with a special aim in mind. Parents and teachers were given the opportunity to discuss the individual progress of pupils at senior and junior level. With the changes in School Certificate assessments and other aspects being contemplated and discussed throughout the secondary system, it was a worthwhile effort on the Association's part to keep abreast with developments.

It is especially in this field that the committee looks forward to ever-increasing interest and participation by all parents, since it so vitally concerns our own children and their future.

This year has been a successful year for our Association and my cordial thanks are extended to the Headmaster, Mr T. Ryan, parents, teachers and the Student Council — and, most of all, to those members who made up my committee.

They are.—Mrs M. Reeves, vice-president; Mr M. de Beurs, secretary; Mrs Ivory, treasurer; Mr T. Ryan, ex officio; Mrs O'Gorman, Board of Governors' representative; Mrs McLachlan and Mr J. Hinfelaar, teachers' representatives; and Mesdames James, Sparrow, and M. Cribb, and Messrs Gavet, Linklater, Ellicott, Phillips, and I. McConnell, parents' representatives.

G. M. BENTEN, President.

PREFECTS' NOTES

The prefects this year numbered 25 — 13 boys and 12 girls. Our very able Head Girl was Liz Betschart and our very 'friendly' Head Boy was Greg Chambers, otherwise known as Noddy etc.

Both studies were in an advanced state of disrepair, so a massive programme of redecoration was in order. There was much haggling over colours and types of chairs; then there was the question of curtains — to be or not to be. However, everything sorted itself out and now we are nicely settled in.

During the year we acquired an addition to our window decorations. You may have noticed two figures at the window day after day after day . . . they are the prefects' version of Romeo and Juliet.

Some of the boys formed themselves into a lunchtime band. They 'sang' loudly and kept 'tune' on an assortment of instruments, Noddy on the rubbish tin. Monk, Terry and Larry on the guitars and Peter C. on the wobble board. We decided it was time we got a radio before we forgot what music sounded like.

During the second term the prefects had a very enjoyable night out at Rotorua. We had dinner at the D.B. Hotel in Rotorua, during which here was a mix-up about la Peche — was it fish and ice-cream or peaches and ice-cream? Mrs Ryan, whose French was slightly better than ours, assured us all that it was peaches and ice-cream. After dinner, some went swimming while others tried their luck at ten-pin bowling. All in all it was a very enjoyable evening.

Raewyn MacDonald left our ranks in the second term to go to America but we were consoled at the loss with the return of John Givins and his jokes.

Elizabeth Betschart:

Ambition: Grow edelweiss on Mt Cook.

Peter Collier:

Ambition: To surf more often at 3 a.m.
Destination: 'Varsity or truck-driving.'
'When a man has no good reason for doing a thing, he has a good reason for leaving it alone.'

REPORT OF THE CHAIRMAN OF THE BOARD

It is difficult, in an end-of-year message such as this, to express all the thoughts that one considers important regarding our school, that are relevant at this particular time of the year.

All of us who have close contact with the school — staff, students, parents and Board — are all aware throughout the year of the importance of the school in the community. It is at this season though that one tends to consider more critically those aspects of the school year that appear to have had some special significance.

There has been, of course, material progress in the growth of the school. Frustration too has been encountered by those whose task it is to ensure that this growth is matched by extended classroom and associated facilities. However vital and necessary to expansion those things are, they are not in themselves as important as other less tangible additions to the school's growth and station. Increased rolls and additional buildings are but the outward and visible signs that the school is, like the town it belongs to, growing at a very rapid rate. It is, of course, essential that we cater for this growth and always strive to provide adequate opportunities for teaching and study to realise their full potential.

The real growth of this, or any school, however, is better measured — in my opinion — by these qualities, hard to define, yet essential to understand. Such qualities as education in its full, not just scholastic, sense; maturity of outlook, exemplified by the more senior pupils; responsibility and citizenship allied to an objective, not human, approach to controversy; these are the characteristics of a school indicative of real progress. These qualities in the pupils of this school have been readily discernible in this past year, and are more and more becoming part of the pattern of behaviour of a larger majority of the student-body.

A school is known and judged largely by its students and their performance, not only at classroom and examination levels but also in the wider sphere of human activities as a whole. Thanks to the leadership of your Principal and Staff, and to the ready acceptance of their guidance and help by the student-body, there is no doubt that the reputation of this school has never been higher than it is now. I am sure that this trend will continue, safe as it is in the hands of the pupils of the present and the Old Pupils of the future.

To those of you who leave school this year, my best wishes to you to find a sense of achievement and success in your chosen careers. To those who return to school next year may you continue to strive for, and achieve, educational improvement, and in so doing help yourselves and your school to greater achievements.

A.F.S. NOTES

Being an American Field Scholar is indeed a unique experience. How
else in the world could you spend a year in America, living as part of an
American family, meeting thousands of the "local yokels," working with
these people through a full year, through their joys, hardships, dis-
appointments and feel pride at their achievements; but above all this be
a true "unofficial" ambassador for New Zealand.

I lived in Salina, Kansas, in the middle of America's wheat fields as
part of the Rupert Family and attended Salina Senior High School with
another 1900 students. In this town the wonderful friendship and hospitality
of Americans was shown to me by all quarters of the community.

I took part in a full high school student's life which was mainly set
around the school with a tremendous amount of after school activities in
sport and dramatics. Of course, I also followed the American pastimes of
drive-in movies, gridiron football, hamburger and French fries and the
greatest pastime of all "dragging Main."

American people are basically the same as New Zealanders, they like
many of the same things, and above all, they are "human." They have
feelings. This is the over-riding aspect of my year in America — I now
realise the importance of people. I met with 3000 other Field Scholars and
we all agreed that the A.F.S. motto had real meaning for us as we had
put in to practice and it had worked. The motto is

"WALK TOGETHER, TALK TOGETHER
O YE PEOPLES OF THE EARTH:
THEN AND ONLY THEN SHALL YE FIND PEACE."

Why don't you give A.F.S. and its motto a try?

John Givins.

MADRIGALS

The madrigal group, consisting of about 20 girls, was again formed by Mr John this year. Meeting regularly during the week, the group has been practising two hymns: the latin "Ave Verum" and "I Waited for the Lord" for the prize-giving.

BRASS BAND

This group has had a very good year, highlighted by the Governor-General's visit to the school when the band was invited to provide the "music." Once again the band organises a concert in conjunction with the local pipe band at the Boys' Home in Hodderville. This is becoming an annual event and is eagerly looked forward to by all. A feature of the year's work is the monthly cup competition which has proved a great incentive for practice. A possible event next year could be a band competition between the Rotorua Boys' High and ourselves — this means that the band would have to learn to march.

SITUATIONS VACANT

Wanted: Bright youth. Preferably handsome (we have girls in the band too) to accept position of responsibility, i.e. Drum Major. Apply in person to Bandmaster.

Note: All applicants must have only one left foot.

LIBERAL STUDIES

A full and varied programme of liberal studies was presented to the 6th and 7th Forms during the year with topics on drug addiction, economics, Australia-N.Z. relations, the adolescent's role in society, Soviet life and education, Rhodesia and psychology.

Mr Pozdnyakov of the Soviet Legation presented a profusion of facts about Russian life and was eagerly questioned on matters ranging from the Russian invasion of Czechoslovakia to the role of religion in the U.S.S.R.

Mr Paris, in a talk on psychology, pointed out many of the misconceptions concerning this subject, such as the fallibility of I.Q. tests and the superstitious belief that one race is naturally mentally superior to another.

An interesting contrast on the Rhodesian situation was given by Mr Henderson Tapela (formerly of Rhodesia) and Mr Sam Greene (President of the N.Z. Rhodesian Society). Mr Tapela spoke about Rhodesia from the point of view of four million black Rhodesians without the opportunities and political rights of their white neighbours. He pointed out that all races must have equal rights and opportunities if Rhodesia, and ultimately the world, are to be saved from a savage blood bath.

Mr Green presented a picture of Rhodesia in which there is a happy and contented African majority which does not want, indeed resists, any idea of African rule. The Africans have equal opportunities with the whites and if for some reason they lack their educational and political standards it is only, according to Mr Green, because they are mentally inferior to them.

FRICITION '69

At the time this report was written there were two issues of "Friction" — a third being prepared. The reason why it was called "Friction" this year is rather obscure but the name was appropriate on a few occasions which we will put down to inexperience. The ringleaders this year were Bob Kerr, Raewyn MacDonald (part-time editor), Peter Collier and Yvonne Kitching (part-time sub-editors). They were aided and abetted by Mike Anderson, Sheryl Burgoyne, Jenny Coleman, Neville Collins, Jentien Den Hond and many others. The magazine itself has had its good points and its bad. Occasionally we have put a foot wrong but we hope that overall we have aroused people's interest. We would like to see future issues become representative of all sections of the school including staff. The senior members of the editorial committee now hand the magazine over to younger aspiring journalists and hope that they will produce an even better publication next year.

PUBLIC SPEAKING

The 1969 Speech Contest was held at the end of April, and, as in previous years, the school was divided into three groups. Each section was given a different general subject and time. The Junior Topics were "What would you consider to be a suitable memorial to commemorate the Bicentenary of the arrival of Captain James Cook in New Zealand" or "There is no opportunity for adventure today" — The time limit was three minutes. The topics for the Intermediate Section were "What aspects of New Zealand life and culture would you emphasise in promoting New Zealand as a Tourist Centre?" or "The Royal Tour 1970—benefit or burden?" — The time limit was four minutes.

In the Senior Section the topics were "Students should study and leave politics to their parents" or "Life is too easy for young people today" or "Great Men are dangerous." Their time limit was six minutes.

The respective place-getters of each section were:—Junior: 1st, Desiree Parker; 2nd, Jenny Weavers; 3rd, Robert Crickett and Joanne Hilliard.

Intermediate: 1st, Richard Boast; 2nd, Lilian Parker; 3rd, Wendy van Toledo.

Senior: 1st, Alan Baker; 2nd, Terry Scott; 3rd, Pam McEwan.

In May Alan Baker and Richard Boast represented the school at a Regional Public Speaking Contest arranged by the King Country and Waikato Jaycees, and held in Taumarunui. Although Richard Boast was unplaced Alan Baker came second equal with his speech entitled "The Case for the Eighteen-year-old Drinker."

The school gratefully acknowledges the assistance given by the adjudicators, Mr J. Hassal and Mr P. Thomas at the High School Speaking Contest.

RED CROSS REPORT

Another year has passed for the Tokoroa High School Red Cross. At present we have eleven members. We started off the year with First Aid Lectures. Unfortunately this ceased because of the failing health of our instructor, Mrs Smith-Davies. Our thanks go to her for teaching us what we now know about First Aid.

We have also made friendship albums, stamp cards, and dental kits for Vietnam. We have also adopted a child in Greece but the arrangements have yet to be finalised. With Christmas drawing near we put on a concert for the old-aged, I.H.C. and Mentally Handicapped as well as the general public, with items such as singing and a fashion show featuring clothes from the cave man to the future.

At the beginning of the year we were officially represented at the Red Cross Leadership courses at Wellington by President Raewyn Foote. This year there will be two delegates, they will be Vice President Erin Cosgrove and President Raewyn Foote. The course will be held at Christchurch this year. The officers for this year's Red Cross Group will be:—

President: Raewyn Foote.

Vice President: Erin Cosgrove.

Secretary: Beverly O'Callaghan.

Treasurer: Lynette Bartells.

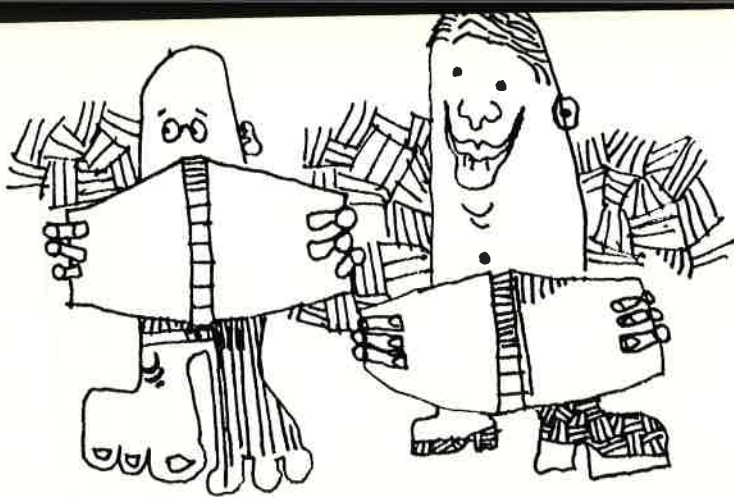

CRUSADERS

Has it ever taken you four hours to eat a meal? Our Crusader group recently had such an experience on a Progressive Dinner. This is but one of the functions we have had outside our regular meetings. Other activities this year have included a day's outing to an island, a "squash," and a social evening for an ex-Crusader. This summer some of our members plan to attend some of the Crusader camps held each holiday for any secondary school pupils interested.

Crusader meetings are held on Wednesdays in A23 from 12.15 p.m. for half an hour. The girls and boys have combined their meetings this year under the leadership of Mrs R. J. Ward, Mr M. MacDonald and Mr Saunders.

Many people wonder just what Crusaders is and what they do. The Crusader Union is an interdenominational movement throughout secondary schools in New Zealand. Crusader groups meet weekly. The meetings are varied although all are concerned with some aspect of the Christian life. We have sing-a-longs, debates, visiting speakers, occasional films and filmstrips or else we have choruses and a short devotional talk.

We are grateful for the support of our Principal, Mr Ryan, in our activities and we extend a warm welcome to all those interested in attending in the future.

LIBRARY NOTES

The most important happening in the Library this year was the formation of a Library Committee. This comprises twenty 5th and 6th Form pupils who have accepted responsibility, in various spheres of activity, for the smooth running of the library.

The Committee meets once a fortnight giving each section an opportunity to report on its activities to Mr John, the Teacher-Librarian and Mrs Mules, the Librarian and to the rest of the Committee. The sections of the Committee are:—

RESPONSIBILITY FOR THE ISSUE DESK:

John ten Velde, Johanna Mathis, Erin Cosgrove.

DISPLAY COMMITTEE:

Beverley O'Callaghan, Max Cribb, Tony Berger, Leo O'Sullivan, Raymond Jones.

READING RECOMMENDATION SHEETS:

Tranja van Hasselt, Elisabeth Betschart, Raewyn Foote.

ANTI-LITTER COMMITTEE:

Beverley Hall, Willy ten Velde, Marion Bell, Anne Rugg, Elizabeth van der Kaay, Lynette Bartels.

BOOK GRADING COMMITTEE:

Elisabeth Betschart, Agnes Betschart (Fiction), Marilyn Perry, Christine Holmes, Sheryl Steele (non-fiction).

Mr John is Chairman of the Committee and Agnes Betschart does the secretarial work. In addition to the above personnel we have four 4th Form boys who hold Library badges and who do an excellent job in the Library. They are:—Gary Cruickshank, Bryan Gregory, Stephen van Os, Daniel Abbott.

Our thanks go also to Peter Deuchar and Ian Copeland for help in bringing the newspapers to the Library. Without this very valuable assistance from all the above students and others the Library could not function satisfactorily.

The book stock now stands at over 9000 of which 1200 have been added this year. We are indebted to the following for donations of books to the Library:—Mr D. Walker, Grant Slevin, Peter Nielsen, Raewyn Foote, Mr Barnett, Mrs G. Paul, David Knight, Mrs J. H. Chambers, Neil Ferguson, Daniel Abbott, Mr Bristow, Mrs J. H. Harland, Elisabeth Betschart, Mr R. Anderson.

We are also most grateful to Mr S. S. White for the gift of a very useful ladder to use at our high shelving and to the New Zealand Herald for making the paper available free of charge.

MISS TOKOROA HIGH CONTEST,

This popular contest was run again this year by the Photographic Club. The 40 entrants came from all forms except the Sixth. This was very disappointing, "was it because in the 6th beauty is beginning to fade or was it because the competition from the Juniors is too strong?" On the first day each girl appeared in semi-formal dress. The judges had a difficult task to choose the 12 finalists. These 12 lucky girls made two appearances on the final day, the first in the same semi-formal dress and second, in any dress from a slack suit to an evening gown.

Judges this year were Mrs John, Mrs Molloy, Mrs Sweeney, and Messrs Robinson, Ward, Cornwall, and the compere was Mr Robyns. Also we were lucky in having Terry Freeman, otherwise known as Terry Scott, to fill in with some items, while the judges made their decisions.

This year's winner was Kerry Jergens, who was presented with a sash, spray, camera and make-up kit. Runner-up was Janice Gifford who received an L.P. Voucher, while Jillian Wilson, who was third, received an E.P. Voucher.

Also thanks to Mrs Van who encouraged Sue Towler, Dianne Basham and Junior members of the Photographic Club, to make this contest a success. About \$80 was raised which was put into the club's funds.

Special thanks to Mr Ryan for presenting prizes, Mr Silcock, Comries Chemist, Bryan Guyatt, Mr Van Hasselt, for all donations and help towards the contest.

ATHLETICS

The loss of many outstanding athletes did not unduly affect this year's team. Many new members proved to be successful, thus bringing home records from far and wide.

The annual athletics sports were held in gloriously fine weather on February 28th. Overall entries were good in all age groups. During the day six records were broken.

From our sports day first and second place getters went on and contested in the Zone Meeting held at Reporoa on March 29th. Both teams were well placed and gained pleasing comments on their behaviour.

Successful contestants then attended the Waikato Secondary School Athletics Championships held at Hamilton on April 12th. Here three of our team members—Tony Stallard, Trevor O'Brien and Miles Innes—were successful.

1969 — 1ST XI CRICKET

The 1st XI had a balanced season with three wins and three losses. Walter Jackson and Brian Morrissey had very good seasons, both with their batting and bowling. Ross McLeod showed that he has a lot of potential and he also had a good season.

The opening game against Putaruru High School resulted in an outright win for Tokoroa. First innings Putaruru scored 104 (Dove 29) (Schmidt 4 for 15), and Tokoroa scored 118, with good batting by W. Jackson 44, and L. Hillier 29 (Wilkinson 5 for 40). Putaruru went in to bat in their second innings and were bundled out for 50 due to the excellent bowling of W. Jackson (7 for 2). This left Tokoroa to score 32 runs in 15 minutes and this was achieved by some hard hitting from B. Morrissey (28) and G. Chambers (14).

Te Awamutu

Tokoroa was put in to bat in the first innings and only made 60 runs. Ross McLeod showed up with a solid 18 (Paul 4 for 19).

Te Awamutu started badly and Morrissey and Jackson had the first four wickets down for 43. However, a good middle wicket stand by Paul (50), Lawry (27) and Sinnott (29), allowed Te Awamutu to score 143.

Tokoroa went back in to bat but were only 82 for 5 at stumps with a good 36 by Walter Jackson.

Hamilton Boys' High School 2nd XI.

Good bowling by Jackson (6 for 23) and Shaw (4 for 10) hustled H.B.H.S. out for 72. A very powerful 53 by Jackson enabled Tokoroa to

declare at 87 for 6. H.B.H.S. went back in to bat and were all out for 80. This resulted in a first innings win to Tokoroa.

Morrinsville

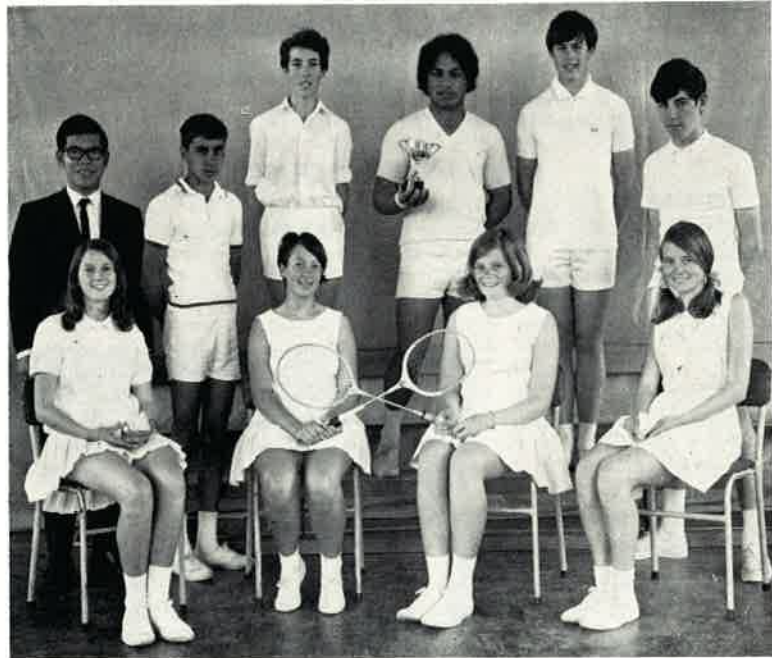

A very good score of 179 for 6 was compiled by Morrinsville (Laurence 82 and Foley 29). This was a very big score for Tokoroa to match and even though Jackson was able to make a good 46 we were all out for 135.

Rangitoto College

Our annual fixture with Rangitoto was cut short by the new idea of the two-day visit. Tokoroa made 69 for 7 declared with Ross McLeod making an intelligent 31. Rangitoto were all out for 70 (Cooper 15), Jackson giving a superb display of bowling with 9 for 25. However, Rangitoto had secured a first innings win.

Church College of N.Z.

The final game of the season was a good win for Tokoroa. In the first innings Tokoroa made 122 for 9 declared (K. Hillier 27) (Mike Shaw 24) — a good innings by both these batsmen. Jackson made another good effort and had secured 5 for 28 when C.C.N.Z. were all out for 68. Morrissey and Shaw also bowled well.

SOCCER 1st XI

Our most successful season yet!

Team: L. Hillier (capt), A. Baker, K. Dunham, D. Edwards, B. Hickman, K. Hillier, G. Nichol, C. Oldershaw, F. Ploweright, G. Simm, R. Rafferty, W. Stowers, K. Baker.

Some players were lost to the Tokoroa Club teams, and the school was not always able to field a full team.

The team was handicapped by lack of a permanent goalkeeper and a standard-sized field for match play. This did not help matters in away games either.

However, two charity matches with the R.S.A. Club (Tokoroa) saw the donation of a full set of jerseys especially for the 1st School XI team.

Special thanks to Mr Yule and Mr J. Edgar (of the Town Team) for helping to organise and coach the team, and to Mr Scott for refereeing.

We hope the inclusion of some 3rd and 4th Form players in the 1969 team will prove fruitful next season and that general enthusiasm in the school for soccer will grow.

RUGBY

FIRST XV

With the return of only a handful of last year's team new members had to be found and thus a relatively young squad was formed. However, the inexperience was replaced by a good team spirit. The visit of the Rothmans' Fellowship and Don Clark in particular gave the team excellent advice.

The first six games were all of a very high standard; Huntly, Morrinsville and Te Awamutu were all good wins to Tokoroa High. The game against Hamilton Boys' High School reflected the high standard that the 1st XV had reached. It was no little achievement to be defeated 5-6 by the top XV in the Waikato. This defeat was followed by victories over Ngarua-whaia and Taupo.

However, with the loss of Brian Morrissey and Denis Bomford the strength of the team dropped considerably. The following six games saw four losses; against Putaruru, Christ's College, Tamaki, and Matamata. Draws were recorded against Fairfield and St Paul's.

The final two games saw the team back to its former strength. St John's was defeated 11-8 and a great game against the undefeated Rotorua Boys' High resulted in victory being stolen in the last minute, the game ending 6-5 to Rotorua.

The team wish to acknowledge the great amount of effort put in by their coaches, Mr Bowler and Mr MacDonald during the season.

SECOND XV

The following played regularly for the team:—N. Hoy, P. Hawera, D. Curtis, P. Ngatua, L. Joseph, W. Koteka (vice-captain), E. Schmidt, P. Jones, D. Nicholls, W. Sinclair (captain), G. Lovegrove, J. Koteka, J. Laws, T. Coffin, R. Rapana, R. Davy.

The team had a generally successful year, starting well, but losing form later on as a result of defections to the First XV, and of being let down badly by key players at certain times. Team spirit was high and W. Sinclair proved an able leader. R. Davy's experience was valuable and T. Coffin the most improved player. N. Hoy fitted in well at fullback when the need arose.

The team's record was:—

v. Huntly	won 36-6	v. Taupo	won 19-14
v. Morrinsville	won 30-0	v. St Paul's	won 14-3
v. Te Awamutu	won 29-8	v. C.C.N.Z.	lost 3-22
v. Mangakino	won 35-16	v. Matamata	lost 3-25
v. Hamilton Boys' H.	won 5-3	v. St. John's	drew 13-13
v. Putaruru	won 24-0	v. Te Kuiti	lost 0-12

FIFTH GRADE XV

Our 5th Grade team had a very successful season playing in the local South Waikato Fifth Grade competition. The team was placed a very close second in the competition behind the Tokoroa Black side. Led by captain B. McCaskill and coached by Mr Martin-Levorson, the team played good, open team Rugby, losing only three games including one by default due to lack of transport. Although there was a lack of inter-school games the team won against the Mangakino 2nd XV 55-3 and narrowly lost to Taupo 9-10.

Although almost always faced by a heavier pack the team's spirit of determination to win helped to gain superiority in the forward play. The backs made good use of the ball by running hard and playing determined attacking Rugby.

Seven players went forward to play for the Tokoroa 5th Grade Representative team. They were: B. Coleman, G. Coleman, F. Little, M. Manu, B. McCaskill, G. Stow, and B. Linklater although he could not play because he was over the weight limit.

SWIMMING

The Tokoroa High School Swimming Sports were held on the 19th February this year. They were organised by the remainder of last year's Prefects and 6A and ran smoothly throughout the day. Fortunately the weather did the organisers justice and the day was completely successful. Champions were chosen on a point basis and were as follows:—

Senior boy champion: R. Rafferty. Runner-up: N. Hoy.
 Senior girl champion: P. Hill. Runner-up: M. Foster.
 Intermediate boy champion: R. Barraclough. Runner-up: R. Rapana.
 Intermediate girl champion: J. Grayburn. Runner-up: M. de Kort.
 Junior boy champion: D. Williams. Runner-up: E. Schmidt.
 Junior girl champion: S. Grayburn. Runner-up: D. White.

Outstanding swimmer was Patricia Hill who won all the events in the senior girls' section and also broke five records.

Records broken were:—

Junior girls' 33 1-3yds backstroke: S. Grayburn—24.1sec.
 Junior girls' 66 2-3yds freestyle: S. Grayburn—49.3sec.
 Junior boys' 33 1-3yds freestyle: E. Schmidt—19.2sec.
 Junior boys' 33 1-3yds backstroke: W. Sweet—24.8sec.
 Junior boys' 100yds freestyle: E. Schmidt—79sec.

 Senior girls' 66 2-3yds backstroke: P. Hill—49.8sec.
 Senior girls' 33 1-3yds backstroke: P. Hill—23.6sec.
 Senior boys' 33 1-3yds freestyle: R. Rafferty—19.6sec.
 Senior boys' 220yds freestyle: R. Rafferty—3min. 12.9sec.
 Senior boys' 100yds medley: R. Rafferty—1min. 37.6sec.

The only trip away was to the Waikato Secondary School Swimming Sports in March. A team including Patricia Hill, Jennifer Robinson, Jennifer Grayburn, Susan Grayburn, Megan Foster, Donna White and Franz de Beurs went through to Hamilton for the occasion. Patricia Hill was placed second in the senior girls' 100 yards backstroke.

TENNIS

A fairly long and profitable season was enjoyed by the members of
 the Tennis Club over the 1968-69 season.

Three inter-school matches were played against Rangitoto, Te Puke
 and Taupo. A team was also sent to the Waikato championships but it was
 unsuccessful.

Rangitoto defeated us easily as they were able to field a much more
 experienced team. Despite our loss the matches were beneficial as playing
 against these players, some of whom held New Zealand titles, taught us
 a lot.

Against Taupo and Te Puke we were more successful — emerging
 victorious both times.

The school championships were held in the first term and the results
 are as follows:—

Singles.—Senior Girls: J. Perry. Doubles: J. Perry and J. Leckey. Inter-
 mediate Girls: G. Wainscott. Doubles: G. Wainscott and S. Kirkman.
 Junior Girls: Not played. Senior Boys: A. Morrissey. Doubles: B.

OUTDOOR BASKETBALL, 1969

Once again winter has passed and with it the basketball season has closed. In reviewing the season we find that although the school has not had so many teams due to lack of coaches on the staff, the students have been enthusiastic.

This year five teams played in the local association and the most successful of these teams was Junior "A" who were runners-up in their section, senior reserve.

A fourth form team under the captaincy of Inereta Harrison won its section for play during the season on the closing day. The president of the local association commended them for their wonderful spirit of sportsmanship.

Three teams entered the Hamilton Secondary Girls' Tournament. All teams gained a wealth of experience in that they played some of the leading Waikato school teams. The junior team was the most successful.

The Junior "A" team also took part in a tournament at Te Puke and in the third form section reached the finals where they lost after a very even hard and fast game.

The Senior "A" team had a varied season, not quite as successful as was hoped. They retained their supremacy over Tamaki, Mangakino and were very narrowly defeated this year by Taupo and Te Kuiti. Putaruru still defeated the team by a fairly wide margin.

A new venture this year was Senior "A's" participation in the secondary school's tournament at Putaruru during the August holidays. This tournament had 50 teams in it and although we didn't come away with any trophies we did come away having made many friends and as a more experienced group.

Members of the Senior "A" team were P. Daniels, E. Clothier, P. Lozell, T. Simiona, J. Simiona, C. Emerton. Reserves, W. Wright and S. Nathan. Captain, L. Foster.

P. Daniels, S. Nathan and L. Foster were members of the Tokoroa representative team. This is the second year L. Foster has had this honour.

This year E. Harris and S. Trantor passed their local theory exams and gained their practical for their referees' badge, while several others helped with primary games on Saturday mornings.

We must thank the coach, Mrs S. McLaughlin, who for the first part of the season took the seniors, and Mrs P. Nelmes, who took over later. Mrs M. James took the two juniors. Miss Manuel wishes to thank all captains who had no easy task of setting an example of sportsmanship to their teams.

BOYS' INDOOR BASKETBALL, 1969

The season opened after the May holidays. Previous to this team trials had been run in the gym. Twelve or more boys turned out for them. However, it was decided that the team had to be cut down to nine. The final team was Zeke Cowley (captain), Brian Morrissey, Warren Osborne, Paul Storer, P. McLean, Steven Waltham, Gordon Povey, Kevin Storer, Gary Dawson.

The first game of the season was against C.C.N.Z. and with the encouragement of a number of supporters we managed to beat them. This turned out to be the most important and impressive game of the season as both teams were evenly matched. During the following weeks we were unbeaten. We had a return fixture with C.C.N.Z. They created a tension and pressure that we found hard to beat. Consequently we lost the game, although overall we won the Waikato Secondary Schoolboys' Competition.

Owing to the under 18 team's visit to contest the national region finals at Dunedin we had to eliminate ourselves from the Waikato championships. We managed to enter the Auckland championships which we had to win to qualify for the national championships. Unfortunately we were beaten by Tauranga Boys' High School who we had previously beaten.

Credit goes to Gary Dawson, possibly the youngest member in the history of the "A" team. A very balanced and quick learning player.

Mike Shaw has also earned his place in the team. A very versatile player in all fields of basketball.

More credit is due to Brian Morrissey, who captained the New Zealand Junior Team on their Australian tour. He is one of the most versatile players in basketball and one of the most outstanding players in New Zealand.

Zeke and Bones were selected to play at the men's national finals at Tauranga. They played for Rotorua and gained invaluable experience.

Most of the boys will be leaving at the end of the year but Mr Peters has some great juniors coming up behind the old players. The team would like to thank Mr Peters for the time and effort put into this season.

GIRLS' 'A' INDOOR BASKETBALL

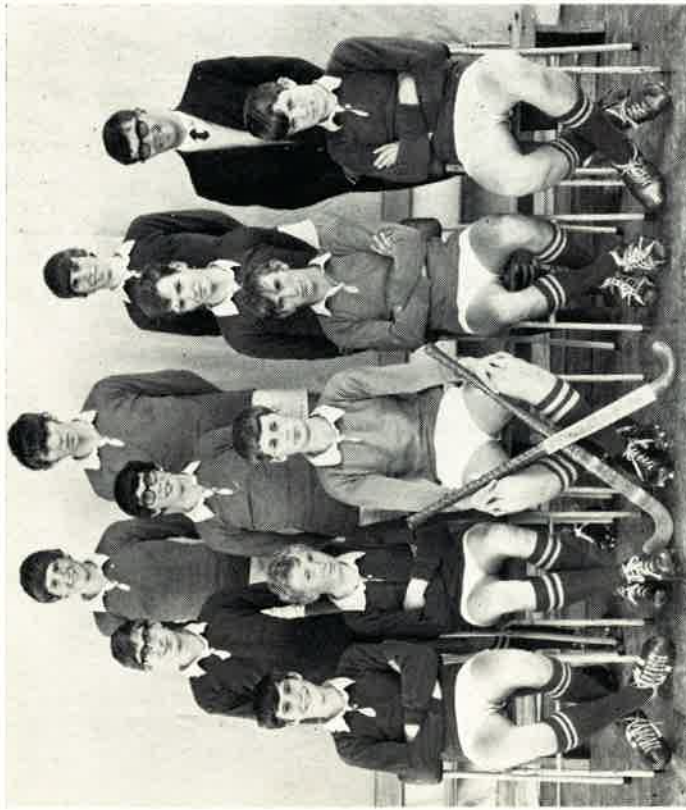

The Girls' 'A' Indoor Basketball team consists of seven players. They are Diane Rudsits (captain), Pat Hill (vice-captain), Carol Wright, Jenny Robinson, Lynette Peacock, Megan Foster and Christina Tough, all coached by Rocky Jubinville.

This year they have played in many inter-school fixtures, with the most enjoyable being against Otumoetai, as well as competing in the North Island championships and other out-of-school tournaments.

Results from the winter fixtures were.—Against Taupo, won 21-16; against Otumoetai, lost 26-13; against Rotorua, won 34-16; against Fraser, won 26-20; against Te Awamutu, won 27-15.

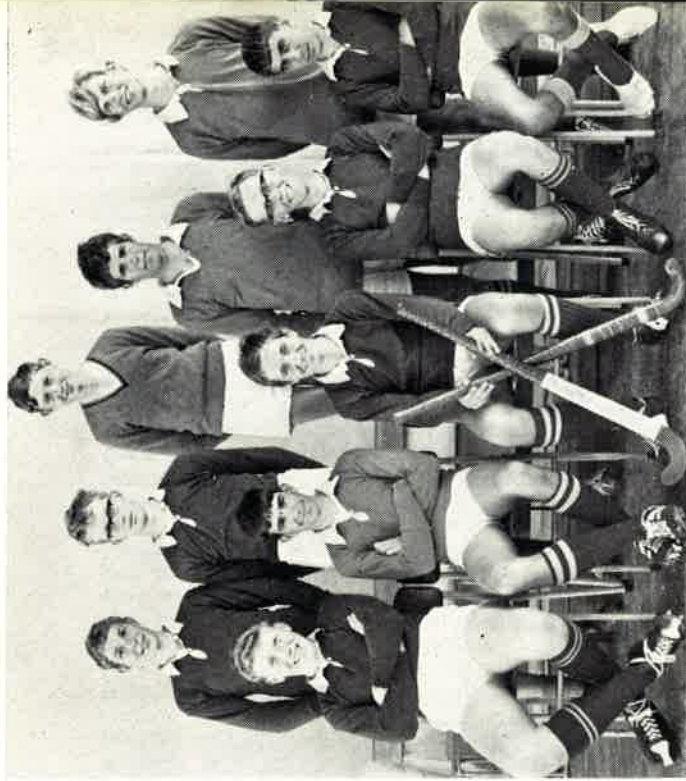

JUNIOR GIRLS' INDOOR BASKETBALL

Team: This team consists of 10 players—Ann Morrissey (captain), Linette van Maaren, Margaret Stevenson, Tina Slack, Janet Clark, Gay Beazley, Joanna Limiona, Robyn Pitkeathly, Magard Hodgson, Ann van Orsoun, Kay Foster and Lilian Povey. The team participated in the Thursday night competitions held at the Y.M.C.A. The team has played against visiting teams from Rotorua and Hamilton Girls' High and was successful both times. They also played as a visiting team in Taupo, winning the two games they played.

BOYS' HOCKEY NOTES

As a result of losing many of its stalwarts and the general youth and inexperience of the team, the scoreboard results this year do not look as impressive as in the past. However much hard groundwork has been done in preparing boys for future success and more importantly a season of enjoyable hockey has been gained.

Scoreboard

v. Matamata	Lost 2-1	v. Morrinsville	Won 5-0
v. Te Awamutu	Lost 5-0	v. C.C.N.Z.	Won 3-0

The preliminary rounds ended with a 7-aside tournament in Hamilton which a group of the team eventually won. Final inner and outer Waikato representatives were also selected at these matches. A further three grading matches were played before the Trophy Competition began.

v. Melville	Won 1-0	v. H.B.H.S. "B"	Won 3-2
v. St Paul's	Lost 2-4		

The team was selected amongst the top six Waikato Teams to contest the Forster Shield. Contests in this competition produced most uneven results this year.

v. Fairfield	Won 7-0	v. Matamata	Lost 3-5
v. H.B.H.S.	Lost 3-1	v. Te Awamutu	Drew 4-4
v. St Paul's	Lost 2-0		

The competition in the final round proved close and valuable experience was gained in some enjoyable games, particularly H.B.H.S. and St Paul's.

TOURNAMENT

The team was allocated to the 16-team major tournament for the Rankin Cup at Tauranga this year. In this it found itself in the company of some of the finest schoolboy teams in the country. Tournament proved to be a highlight in the hockey played and discussed and the hospitality, good organisation and fine weather which prevailed.

Results:

v. Kamo	Lost 8-1	v. Northland	Won 2-1
v. Wellington	Lost 4-1	v. Lytton	Lost 6-1
v. Otumoetai	Won 2-1		

Overall placing in the tournament was about 9th which is a most creditable performance in the fierce competition which eventuated. Many young players had their first experience of the rigors and pleasures of Tournament play.

AWARDS

Outer Waikato "A"—C. Wainscott, A. Erskine-Shaw, W. Jackson, B. Sparrow.

Outer Waikato "B"—K. Butler, W. Rushworth.

Waikato Secondary School's Rep. Team—A Erskine-Shaw.

Although at a first glance, the results of the season do not seem impressive, when the relative youth of the team is taken into consideration, the team has performed very creditably against boys often five or six years their senior. With the experience gained during this gruelling season, the remnants of the team should provide a solid backbone for a successful effort next year.

GIRLS' HOCKEY

The 1969 1st XI Girls' Hockey Team enjoyed a successful season under the expert coaching of Miss Korcia and Mrs Van Hasselt.

The team played in eleven inter-school games and one school-girl tournament.

Scoreboard:		v. Putaruru	won 7-2
v. Huntly	won 4-3	v. Otumoetai	won 2-1
v. Reporoa	won 6-0	v. Church College	lost 3-6
v. Te Awamutu	won 4-1	v. Tamaki	lost 2-7
v. Mangakino	won 10-0	v. Matamata	lost 0-5
v. Taupo	won 4-1	v. Te Kuiti	won 5-0

Unfortunately the game against Lytton which was to have been played at Gisborne at the end of the second term had to be cancelled due to illness.

To round off the season the team played in the Tongariro Schoolgirls' Tournament on September 13 at Tauranga. Although we lost the Tongariro Hockey Shield to Turangi having had it for the past season we did not come home empty handed. With a concentrated effort and the girls showing good team spirit we managed to bring home the cup for the runners-up.

Although the results are perhaps not as spectacular as those of 1968 the spirit of the team made for good all-round sport.

TEAM: Joan Leckey (Captain), Judith Perry (vice-captain), Tranja Van Hasselt, Agnes Inderbitzen, Jentien den Hond, Glynis Wainscott, Judith Ryan, Sheana Kirkman, Evelyn Ross, Sheryl Swindlehurst, Elaine Ellicott, Lillian Parker, Claudette Battle.

THE 2nd XI GIRLS' HOCKEY TEAM

The future of the team seemed a little uncertain at the beginning of the season. However, the enthusiastic coaching of Mrs Bennett soon welded the girls into a team. Because the 1st XI had recruited many of the 1968 2nd XI, numbers to be made up with junior girls. The team consisted of Diane Basham (R.I.) as captain, Christine Ryan (C.F.), Noeline O'Brien (L.I.), Annette Crawford (L.W.), Susan Grayburn (R.W.), Judith Deacon (C.H.), Gail Ward (R.H.), Mary-Ann da Kort (L.H.), Christine Greenough (L.B.), Veronica Butler (R.B.), and Stella Panther (G). Regular service throughout the season was given by Gwenda Wheeler, as reserve.

The 12 games played resulted in six wins, two draws and four defeats.

These were:—

v. Putaruru "B"	win 9-0	v. Taupo "B"	win 7-0
v. Morrinsville "B"	win 3-0	v. Te Kuiti "B"	win 1-0
v. Mangakino "B"	win 10-0	v. Mangakino "A"	(2nd game) lost 2-1
v. Mangakino "A"	win 5-1		

At the Tongariro Schoolgirls' Tournament the team was unplaced.

Games played were:—		v. Tongariro "B"	draw 0-0
v. Mangakino "B"	draw 0-0	v. Whakatane "A"	lost 3-0

The other two games played were against our school 1st XI. The first opened the season and resulted in a 7-0 win for the 1st XI. The second closed the season, and was also won by the 1st XI 2-0. The decreased margin of success for the 1st XI indicates improvement made by the 2nd XI over the season.

The thanks of the team go to Diane Basham for her leadership, Mrs Bennett for her able coaching and Mrs. van Hasselt for her assistance in organisation.

ANTARCTICA

The icy fangs of the swirling weather
Biting into him.
Tormenting him,
Sucking out his misty breath,
Clawing into his ashen face,
Ripping into the black stubble.
His dull eyes are closed in a thin glistening veil of ice,
Impenetrable and harsh.
To the west those eyes search
Past the grey bleak mounds of loneliness and slow death,
To the warm lap of a smiling mother
And her loving caresses of yesterday.

Hank Peet, 4-3.

ARMAGEDDON

Sprawled out on the hard earth of that angry dust-swept street with its red sands of death and destruction I saw a bright red dress. The dress belonged to my mother. It could have been mistaken for an old rag. Mother was coughing and sobbing, her small, small breasts rising and falling on every strangled cry.

A tremor passed through me as I felt the blood clotted hunks of dirt mingled with the sweat and grime that was my face. My three numb fingers slowly probed their way over the broken lines that made up my face.

Then I heard it, a slow plodding sound, the sound of dim footsteps coming closer and closer.

I rolled over unaware of what I was doing, placing the cut palms of my bloody hands into the choking dust. I swallowed the pain, and raised my dulled head. Coming towards me through a maze of light was a strange figure, spraying death from a black wand. Mother's deep gasping has stopped now but the tiny droplets of bright red blood still redden the street.

Hank Peet, 4-3.

MY FAVOURITE AUNT

She died when I was a baby.

Her name is Rongo also. She lives in Raratonga, Cook Islands. This Aunt of mine is a very nice person. She had many friends that liked her very much.

She was married to a man from Aitutaki where I was born and raised. They did not have any children because the doctor said she couldn't because of her illness. My Aunt had a disease called T.B. till she died.

One sunny Friday afternoon my mother was hanging up the clothes when the rooster crowed about five times. When this happens we, the Islanders say that a letter or a parcel is to be sent to your home. Well I got pretty excited because we were going to get a parcel. But when the post man came it was only a telegram addressed to my mother. Well I said to myself, it's better than nothing. My mother read the telegram and then looked at me for a while then she said: "Baby, your favourite Aunt wants to see you." I was very happy when she said this but who is this favourite aunt of mine?

Then my mother told me about her. She said when I was born that a lady nursed me night and day and that she would do anything to look after me.

My mother said that the lady wanted to adopt me because she did not have any children of her own, and wanted me very much for her own. But my mother told her if I was not the first baby she had she would let her have me. But I was the only daughter she had and would like to keep me because I was the first, for she did not know if she was going to have any more children.

My Aunt understood her and asked my mother if she could come and visit me all the time. My mother said yes.

One day she became very ill so that she had to stay in hospital for about six months at least, and my mother and I were not allowed to see her because we might catch the disease. Then one Wednesday morning a doctor came home to see my mother, he said that my Aunt died last night, and that before she died, she told the doctor to tell my mother if she could call me after her. I mean to make my name "Rongo." My mother cried for several hours then, Sunday came I was baptised in that name. So my other name which was "May" was changed to Rongo Kino.

My Aunts had many relations and they all know that Aunt Rongo had named me after her. So when they see me in the streets they always call out "Hello Aunty," for they used to call my Aunt "Aunty."

It took me quite a while to get used to that name "Aunty," but I got used to it alright because I loved my Aunt and still do.

We have a big photo of her in the house. My mother told me that she was a good and a proud lady and that is why I am proud of taking her name and to be a good and proud person too.

Rongo Charlie, 5-8.

FEEL

In this world, in my world and in the world of millions of others like me
In some tiny unnamed place on this world, there is a dry arid land.
There are a few huts not even good enough as to be called shacks,
Stifling hot, the merciless sun burns on endlessly.
The distant screech of a bird is heard.
Flies everywhere.
The stench of death in the air
A sound not very far away, like something not been used very often
A strange sound in this place.
Water!
The sight that meets the eye is a piteous one.
A child clings with one hand to a rusty pipe,
The other is held cupped to his mouth to retrieve the few drops of water
that fall from the rusted tap.
The water is filthy.
The hand at the mouth looks like it is ready to drop
It is green
Swollen
Festering
Its stomach looks like a balloon. Do you know how it got that way?
The legs not even worth the bones in them
Look at its face!
Is that a tear that falls from that swollen eye, or is it just a drop of water?
Its back looks like the surface of a tar road on a hot day, bubbles, millions
of them.
But a loose hand painfully taps the back, and hundreds of flies swarm off.
The child's back looks like it is being eaten away by those germ-ridden
insects.
Anger
Madness
Pity
Helpless
Is this the world that I live in?
Is this the world that you live in?
One thing is for certain, and that is that that the child and millions of other
anonymous children like it are living in our world, this world.
Not on any other planet,
But ours.

R. Wright, 4th Form.

PAIN

Walking briskly through the hospital corridors,
I glanced through the misted windows
And saw a child,

A young child . . . a girl,

A young child . . . a girl,

Sitting rigid . . . Rigid as a steel pole
bent in the middle.

Then she relaxes and lies easily

A scarred, mangled heap of burnt flesh.

A life-long victim, who shall never

ever know a true child's life.

Heart-broken parents perched on the stools,

Confiding in half a daughter,

Stifling sniffles in frilly handkerchiefs.

The little face is distorted, with burn

and pain. Pain that reaches and grasps

into an innocent's body.

Tearing shreds from all that is left,

Pain has won a little girl.

The bedspread, green and smooth

Contrasts with the tiny hands, scarred and ruined

as used plasticine.

Eyes water, steps falter and a jaw quivers.

An old, aloof woman for life.
